LOOK OVER THE WALL

Starting a new school year the students get use to their classes and the routine they will follow for the school year. You will see what goes on inside the wall, surrounding our school and what goes on outside of that wall. Some students can be seen at school and others in sports or clubs. Now your are ready to be a part of the students inside the wall.

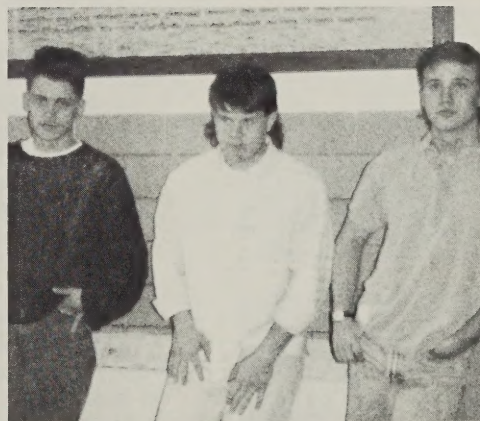

LET'S START THE JOURNEY!

Exhausted from the days' work is Dawn Coleman.

While smiling for the camera Greg Taylor tries to hide something.

Taking time for the camera are seniors David Chittum, Scott Moore and Bradley Fairchild.

STUDENT LIFE

The 1989-90 school year started off with a big BANG! Everyone was excited about being a year older and being in a grade higher. The football team and cheerleaders were preparing for the upcoming season.

The girls' basketball team was also working hard to make their season successful.

Along with cheering for football and basketball, the cheerleaders had to prepare for the upcoming event of Homecoming. It was very successful and everyone enjoyed themselves.

The Juniors enjoyed the annual ring dance which was prepared by the Yearbook class. Two new events that took place this year were the Snow King and Queen Pageant and the Winterfest. These were both a success. The Snow King and Queen were voted on by their class and the Winterfest was prepared by the cheerleaders.

The band had a great success with the Christmas Dance they sponsored. Many students attended the dance and had a great time!

HEAVEN

On the week of October 23, Parry McCluer High School celebrated their traditional Homecoming week. It started off by having Spirit week. The students were asked to show their school spirit and dress as indicated. Monday, sweats day, Tuesday, farmer day, Wednesday, NFL/College day and Thursday, Blue and White day.

During 6th period on Thursday, the cheerleaders presented a great pep rally. At the pep rally besides the floor cheers, they performed skits which included a dance contest. The junior class showed their school spirit by winning the pep stick.

On Friday night the Blues played a tough Bath County football team. They gave it their best shot, but the game ended in a loss.

Despite the loss, many students attended the Homecoming dance. All that attended had a nice evening.

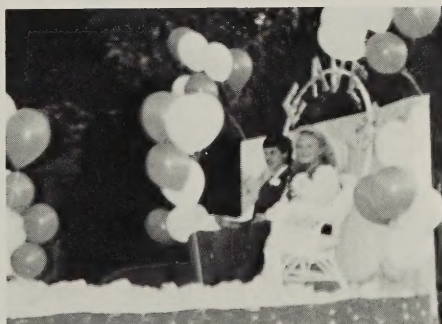

Sophomore Representatives are **Shawn Zdinak** and **Crystal Floyd**.

During the winter sports' season the students and faculty of P.M.H.S. participated in a winterfest spirit week. Many students dressed up and showed their spirit while classes were busy getting together and decorating halls.

Mornings were full of fun as the band marched through the halls playing "The Fight Song". There was much fun "rivalry" between students and classes, but everyone was able to get some type of fun and satisfaction.

At the end of the week, there was a two hour pep rally. Pies were thrown at people, food was sold, and students danced. Winterfest proved to be a very fun and worthwhile experience for everyone!

Vo Tech offers a variety of skills for students who want to pursue a career in a certain field. They offer classes in auto body, electronics, building trades, food occupations, and health careers. In the future we hope that students will continue to recognize Parry McCluer students who attend Vo Tech.

Senior Trip

Washington, D.C.

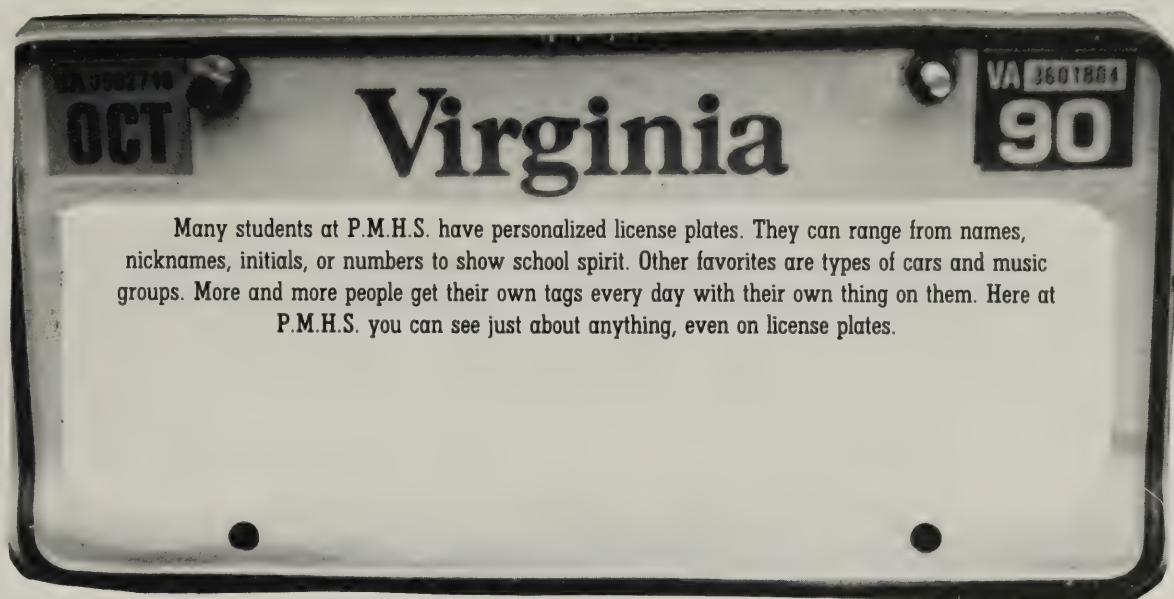

For the first time in a while, the Senior class was allowed to travel to Wahington, D.C. The day started off with a 3 hour bus ride. Two charter buses full of seniors were taken. Our first stop was to allow everyone time to eat breakfast and browse around the street vendors.

Throughout the day we visited the Capitol, Smithsonian, Supreme Court Building, Jefferson Memorial, Lincoln Memorial, and the Vietnam War Memorial.

After the long day, we all piled back on the buses and headed home. Everyone had a fun and educational senior trip.

Having fun at the Smithsonian are seniors **Jeff McGuffin and David Chittum.**

PEOPLE

A school without people is nothing more than a lonely, quiet building. However, if the walls could speak they would tell a thousand stories of people who made our year memorable. Everyone contributed, in many different ways.

We supported our athletic teams, decorated the building on special occasions, and enjoyed out-of-school activities.

Yes, the people we spent our year with made it very unique. It was great to have been there to have seen and captured our contrasting personalities coming together to make memories.

NEW KIDS BEHIND THE WALL

Being a new kid can be a scary experience.

There's the fear of finding your way to class, meeting a group of new people, and

starting at the bottom again. Everyone tries to fit in with the most popular crowd, which can be hard when you're a new face in a new

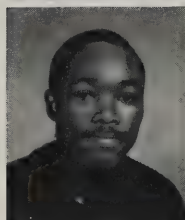

place. Seniors are on their way over the wall, while freshman are just starting their way up.

Making The Climb

Sophomores are moving on up the wall. Before they know it the Sophomores will be up and over the wall. They have a lot of activities to look

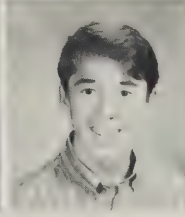

forward to next year. The rising ambitions among them seem to keep the sophomores in good spirits. They are hoping that sometime in the

near future they will be leaving their memories behind and going over the wall. Until then, they will try to make the best of their years at PMHS.

NOW IT'S JUST A BIG JUMP

The Class of 1991 had a busy year this year. To raise money for their class they had a magazine drive and sold luminaries in memory or honor of people. The junior class is getting ready for

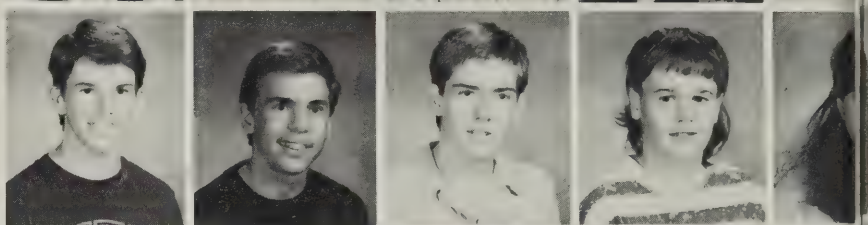

one of the biggest years of their life. With prom coming up soon, there are many decisions to make. College is another factor on many to the juniors' minds. With only one more year to go, they

they have to do their best to make their memories last. Making the climb has been both long and hard for faculty and students. Soon they will be over the wall and ready for the real world.

UP AGAINST THE WALL

Students here at Parry McCluer often find themselves against the wall.

When they break rules, they are faced with many various punishments.

It is not uncommon to see students sitting in the hall beside the office or to see them washing windows after school.

Students this year were surprised by many new rules. Some of the rules seem unfair but that's life at PMHS.

COLLECT YOUR REWARD!

The class of '92 will never be able to forget their high school years. Especially their sophomore year. When asked who they dated for the biggest part of the year, most gave names, but Jayde Dickinson said he had gone out with "no one he was proud of", while Donnie Perkins and Jason Irvine boldly stated, "I forgot her name." Cam Sherlock said his favorite class was geometry because, "that woman is in a world of her own", while Kelly Vassar said he hated German because the class always did the same thing.

The students were also asked what was their most memorable experience. Chris Gibson said, "Shooting bottle rockets at the junior class float". Leslie Williams said, "Being taught to speak 'Smitty' by Travis Rogers and Andy Mikels. The class of '92 will always remember their sophomore year and should strive in the future to have another year like this one has been.

LET'S GO HIKING

This year Mr. Downs and Mr. Bodley took their 10th grade Biology classes and advanced Biology class to Crab Tree Falls. The day started off with a long bus ride to the top of the Crab Tree trail. When we

first arrived, park rangers were there to give us information about the trail and to answer any questions we may have. We then started up the trail in different groups. After everyone had climbed the

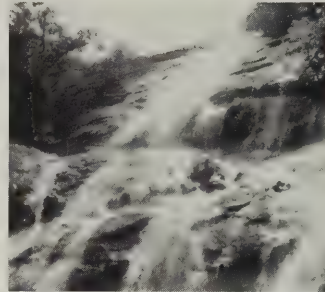

mountain and came back down, we then loaded the buses and headed for the fish hatchery to eat lunch. After eating, we then loaded on the buses again and came home.

THE NEW KIDS ON THE BLOCK

What a crowd! The freshmen stop on the steps for a picture while in Richmond.

Freshman, Freshman, Freshman.

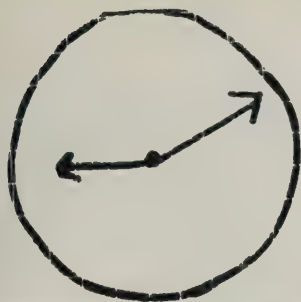

Often referred to as pests and babies in other schools, but not here at PMHS. This year's "New Kids on the Block" fit right into the everyday pattern of high school students. They played on and supported our teams, became members of our clubs, and even tried a thing or two of their own. Yes, this year's freshmen gave true meaning to the old saying "It's not how many candles are on your birthday cake, it's how you blow them out."

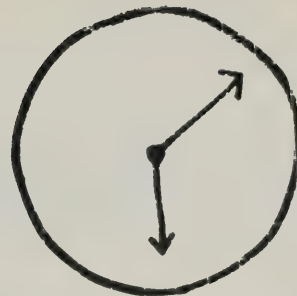

"Peace, brother", says freshman Michael Twitty while on his way down the hall.

Freshman Sharon Humphries attempts to catch up on her studying before the bell ending lunch rings.

Readin' 'Round The Clock

Taking time out from reading to fix each other's hair, Tellie Jones, Amy Tanner, and Marcie Catlett.

On a typical Friday afternoon one can feel the anticipated tension around 2:50 before the bell sounds the beginning of another week-end. Teachers and students alike are relaxed knowing they have exactly 66 hours outside the walls of PMHS. But one Friday afternoon there were a group of students- Freshmen who knew they had to come back to the school that evening, and were actually excited about it. The Freshmen held an all night Read-A-Thon as a class project. The night was filled with pizza, popcorn, hot dogs, books, and (from the looks of these pictures) a whole lot of good old fashioned slumber party fun.

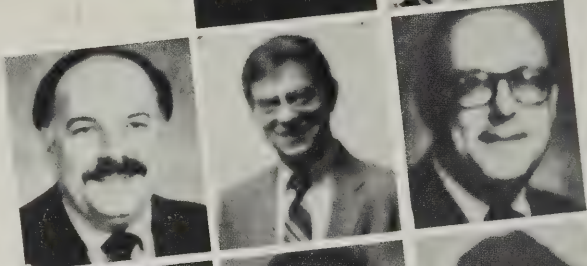

Silly as usual, Becky Wise, Dana Zimmerman, and Amy Tanner show off their pajamas at the Read-A-Thon.

SPORTS

In the hot summer months of August, practices began for fall sports' teams. The football team played well all year and ended its season with a win over Lexington and a 6-4 record. The girls' basketball team was very successful this year. They achieved a 12-8 record and went to the semi-finals of the Group A State Tournament. The cross country and golf teams also had good seasons. Next during winter sports' season the boys basketball team posted some

impressive wins with things looking up for them. The girls' volleyball team did the same and claimed second place in the district. The indoor track team gave it their all also placing respectively in each meet. The spring sports season was a very active one with the boys' baseball, tennis, and outdoor track teams, and the girls' softball, track, and tennis teams all having a great season.

Long, Hot Season

Bradley Fairchild, RB & DB

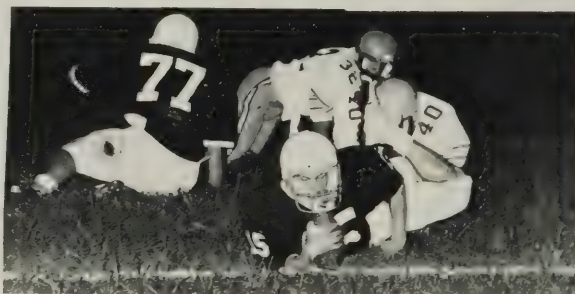

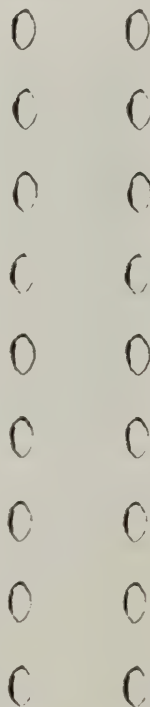

As the afternoon of August 3, 1989 rolled around, the Parry McCluer High School varsity football team walked on the practice field to begin the last season of a very successful decade. With three state championships already under their belt in the '80's, the Blues headed into the season with high hopes of making it four.

In the season opener the Blues defeated the 1988 State Champion Scarlet Hurricanes 33-0. In the second week the Blues traveled to Allegheny and lost a heartbreaker 28-27.

The Blues bounced back to win their next three games, upping the record to 4-1. Next the Blues were defeated by the Stuarts Draft Cougars 26-14. Then the Blues traveled to James River where they fell behind early but rallied to win 22-15. The Blues then had to travel to Covington to face the district rival Cougars and lost 24-7. Next the Blues had to face the district leading Chargers of Bath County. The Blues were defeated by the Chargers 34-15, knocking them out of the play-off picture for the first time in years.

In the final game, the Blues defeated Lexington 13-6 and the game ended in a fight which came to be known as "the rumble on route 60".

Although the Blues didn't win a sixth state championship it was still a winning season with an overall record of 6 and 4.

Stretching for more yardage is sophomore Jason Irvine, with help from senior Donnie Coleman.

WHAT A YEAR!

As the Lady Blues started the 1989-90 season, no one knew what to expect. Having a team loaded with seniors like they did, the Blues were picked to finish high in the district and they did just that.

The Blues started off winning six straight games. The biggest of these games was the win over Glenvar. The Blues defeated Glenvar 32-29, and defense was the key. After winning the first six, the Blues hit a dry spell and went 2-3. Then, the Blues got on track again and finished second in the district. The Blues then made it to the district tournament finals and advanced to the regional playoffs.

In the regional tournament, the Blues defeated Galax and Northwood and lost to Glenvar in the Regional final. Next, the Blues advanced to the State Tournament, where they were defeated by Clintwood 60-50.

Even though golf season was ended with a 6 — 13 record, it was not a disappointing season. Considering that the team had no seniors or juniors it was a learning season.

Each player was dedicated and worked hard, so they may improve and have a winning season in the future.

Hanging Tough

The boy's basketball team finished with a disappointing 4 — 16 record, but the team felt that the year was a success. One of the goals of the team was to be competitive and that goal was accomplished.

One highlight of the year came when the Blues defeated Covington 60 — 57. That victory marked the first time since Covington joined the Pioneer District that the boys basketball team beat the Cougars.

The Blues lose five people who saw considerable playing time to graduation. The team will still have a lot of talent next year. Juniors Brian Watts and Andy Mikels along with Sophomore Shawn Zdinak, saw a lot of playing time and should fill the starting positions. The Blues have a bright outlook for next season.

It was almost an exact replay of last season. Once again it came down to the last game of the season to determine if the Blues would make the Pioneer District Tournament and again the Blues fell short to finish 5th in the district. The Blues finished 8-8.

This years' team consisted of mainly sophomores and juniors, with only five seniors. The team is looking forward to next season and hopefully a top four finish in the district.

This season for the Little Blues was not a successful one. The Blues ended their season at 5-7 with wins over Rockbridge, Covington, Lexington and Bath County.

The Blues this year were young and inexperienced, a majority of the team were 8th graders. Next season the Little Blues look to have a much better season.

Victory!

Although not strong in numbers, the 1990 track team had several determined runners. The girls' track team had only 3 members, but they placed well in several events. Cindy Richardson was only a freshman and she out performed the competition. We look forward to great things from her.

No matter what the outcome of the meet, the Blues' runners always represented Parry McCluer with dignity and a sense of humor.

The two coaches, Mr. Camper and Mr. Bodley, tried their hardest to inspire our runners to victory.

Experienced and New

The boys' tennis team had a very successful season this year finishing with an 8-4 record. The team posted wins over Riverheads, Bath County, Wilson Memorial, and Stuarts Draft. The only losses came from district rivals Lexington and Glenvar, all being close matches.

This year's tennis team was very experienced having four seniors in the top six seeds. Next year the team will have four returning lettermen and should again be very competitive.

Coach Jerry Tutt said even though the team didn't win the district title, he was very pleased with their performance.

The girls' tennis team started with a new coach and only one returning member. With lack of experience, they still did a good job. They look forward to a better season next year.

Marching Blues Bring It Home In '89!

The Parry McCluer Marching Blues had a very exciting year. The band participated in several competitions and hosted its annual Buena Vista Band Day.

The Marching Blues participated in the James Madison Parade of Champions and the Lynchburg Classic. They also took second place in the Lexington Christmas parade and first place in the Buena Vista Christmas & Labor Day parades. The most exciting competition, however, was the Greenbriar East Marching Classic.

Out of the sixteen bands that competed, the Blues took 2nd place in drumline and rifles. They came away with 3rd place in flags, majorettes, marching & maneuvering, general effect, and hornline. The Marching Blues also received 3rd place overall. The 1989-90 marching season proved to be very fun and very successful.

The female athlete of the year for the 1990 season was **Jennifer Williams**. During Jenny's athletic career she has lettered four times in volleyball and softball and three times in basketball. Jenny excelled in all three sports, but she was tops in softball.

CLUBS

A large percentage of students at PMHS belong to one or more clubs. Club activities are usually fun after-school trips, parties, or service projects. There are many fund raisers, such as the

selling of food, and other items and also, sometimes just a request for donations. Members and non-members alike are very supportive of our school's clubs and they are a very important part of school life.

STUDENT LIFE

Following Christmas break, the students of Parry McCluer High School were full of life and enthusiasm anxiously awaiting spring and the end of the school year. While the Juniors were getting ready for prom, the Seniors were busy sending out graduation announcements for the long awaited event.

Students participated in the Miss PMHS pageant and attended many school activities such as the Beach Dance, sponsored by the Yearbook class. The students of PMHS showed their school spirit and pride all year long, especially during the last half!

The Miss PMHS Pageant was a big success again this year. Many residents from all over Rockbridge County attended this annual event.

The contestants competed in three events: sportswear, streetwear and evening wear. All showed their grace and poise. The results were: 4th runner up, Robyn Elliott; 3rd runner up, Kim Gilbert; 2nd runner up, Stephanie Clevenger; 1st runner up, Teresa Trainer; and Miss PMHS 1990, Heather Spence.

A Night To Remember

May 19, 1990 will be an evening many juniors and seniors will never forget. It was a night when everyone looked their best and dreams would become reality.

The prom was held in the Sem Ballroom and the music was right on tune with the best music. Everyone there had a good time and enjoyed themselves to the fullest. It was truly "A Night To Remember".

Seniors wait patiently for the other seniors to line up.

After being crowned King and Queen Jennifer Williams and Mark Williams dance to "I Remember You", theme song for the prom 1990.

Taking a break from decorating are juniors **Leslie Fitzgerald** and **Stephen Campbell**.

Dancing the night away are the juniors, seniors and their dates at the 1990 prom.

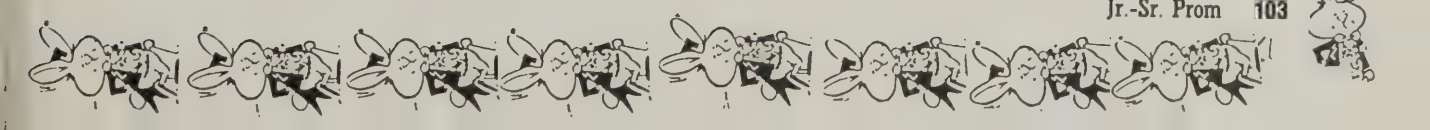

Senior **Mary Lynn** escorted by **Thad Kiesnowski** move to the floor to take advantage of the music.

Caught at the wrong time is senior **Christy Coleman** with her date **Chris Wheeler**.

Enjoying the prom are **Bradley Fairchild**, **Marci Gallier**, and **Christy Schultz**.

Graduation

As the school year neared a close, seniors began to realize that their climb over the wall was almost completed. They were about to become the graduates of the year 1990. Many emotions could be seen on their faces. Excitement, sorrow, anxiousness, and fear to name a few. At one time the year 1990 couldn't have come quickly enough, but now the clock was ticking at a much too rapid pace for some. Soon, the day of June 15, 1990 would only be a memory. The day finally arrived. Graduates rushed around straightening caps and smoothing out wrinkles in gowns. The march began and

the class took their place . . . together. The program started and speeches were given by Mary Lynn, president of the Senior class, Donna Groot, Salutatorian, and Kerri Cash, Valedictorian. After receiving their diplomas and having the benediction been given, the graduates made their recession. Congratulations were accepted and the final good-byes were given and received by many. The class of 1990 had finally reached the other side of the wall, and each walked alone, ready to start anew . . . a graduate of Parry McCluer High School.

Girl watching was a popular Senior Day activity. **Billy Campbell, Robbie Huffman, and Marshall Southers** participate in this activity.

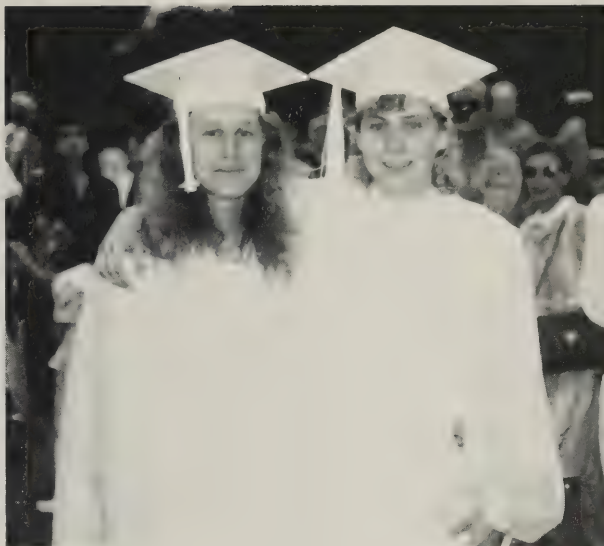

Seniors **Chris Horne** and **Leslie Cash** make sure senior sponsor, **Mrs. Leola Burks** gets wet.

Swimming with clothes on seems fine for **Mr. Glenn Rose**.

With a look of delight, Senior **Steve Tomlin** shrugs his shoulders when it's all over.

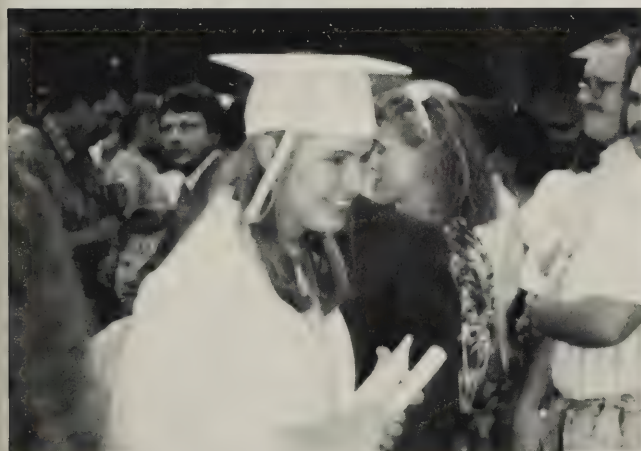

With mixed emotions, **Monica Huffman** and **Tammy Grant** share an embrace.

With a "smug" look, **Jeremy DeReus** joins his family after graduation.

Surrounded by friends, **Bradley Fairchild** can hardly believe he made it.

Salutatorian **Donna Groot** makes her way through the crowd after graduation.

With diploma in hand and excitement on his face, **Fred Smith** makes plans to split.

COMMUNITY

Throughout the halls of Parry McCluer, you often hear that there is nothing to do in Buena Vista. This often drives students, as well as parents, "up the wall".

Now-a-days one of three things usually pops into the heads of most teens. We can party, which most do; we can go bowling, mainly to midnight

bowl just to keep the parents up until two or three in the morning; or finally, we cruise the strip. Often to see whose with who or to find out the latest gossip to pass on to someone else.

Buena Vista may not seem to be a great place to some, but to most Buena Vista will always have a spot in our memories and hearts.

Nicky

A smile to everyone you'd bring
On even the worst of days
Soon after would our laughter ring
Following your humorous displays.

It often seemed you'd cast a spell
Upon those who were near.
Awaiting jokes we knew you'd tell
All were quiet so all could hear.

With a natural ease and a tender grace
With notes so rich in tone,

Your love of music shined on your face
As you played your saxophone.

But your trait that we'll most treasure
As we'll often think of you,
Is your love no one could measure
For the friends you loved and knew.

So forever will your memory
Within us live eternally.

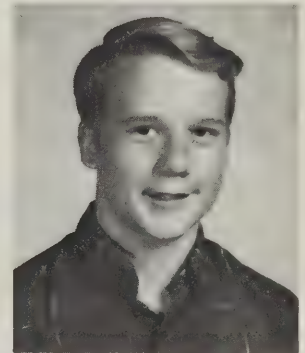

This year, family and friends of Nicky donated
funds to purchase new music stands in honor of
his dedication and love for music.
Nicky will be greatly missed by everyone.

Goodbye My Friend
We never know where life will take us
We know it's just a ride on the wheel
And we never know when death will shake us
And we wonder how it will feel.
So, goodbye, my friend
I know I'll never see you again
But the time together through all the years
Will take away these tears.
It's okay now
Goodbye...
My friend.

John Campbell and Faith Burch on another lazy day take time for a picture.

What is going on? asked Sonya Hamilton to Randy Walters.

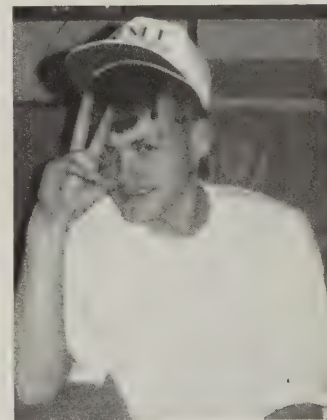

Clowning at lunch is Donnie Coleman and Troy Henson.

Not knowing there's a camera around Jennifer Williams, Kerri Cash, and Randy Walters are caught by surprise.

After a hot day, the crew take time for a picture.

Displaying a peace sign is David Chittum.

Wanting the camera to disappear is Stephanie Clevenger.

Now that the year has come to a close, we as students can look back through the year and remember the good and bad times at Parry McCluer High School. When you come to the end of a year it gets a little sad, but you remember although you made it "Over This Wall", there is another wall to climb with memories and experiences from this year to build on!

The Class of 1990 bids PMHS farewell!
